

Polycom

Companies choose Polycom for solutions that enable their geographically dispersed workforces to communicate and collaborate more effectively and productively over distances. Using Polycom telepresence, video, and voice solutions and services, people connect and collaborate from their desktops, meeting rooms, class rooms, and mobile settings. Organizations from a wide variety of industries and the private sector work with Polycom standards-based solutions to:

- Gain a fast return on their investment as their teams easily collaborate "face to face" wherever they are
- Cut the time, cost, and carbon emissions associated with gathering the right people in one place to solve problems
- Apply saved resources, time, and energy to primary business and organizational challenges

In today's economy, Polycom makes good business sense.
