

## Allworx 48x

The Allworx 48x system is the largest and most powerful of any Allworx phone system to date – supporting up to 250 users per system. Its two T1/PRI interfaces make it the perfect solution for businesses which are too large for a single PRI, but not so large that they need the significant expense of an enterprise-class solution.

- (2) Two T1/PRI interfaces expand the range of your voice and data connectivity
- Move up market with the 48x designed for companies with up to 250 employees per site

### Key Features
