

The SoundStation
VTX 1000®

The SoundStation VTX 1000® enables you to speak naturally from 2 feet to 20 feet away from the microphone, so those on the remote end of the call can hear you clearly – leading to increased productivity, faster decision making, a higher competitive advantage, and much happier conference call participants.

It's time to experience the SoundStation VTX 1000®. It's the perfect solution for any size conference room and will provide full room coverage for a 54' x 40' room.
